INDEX

The reference is to a contribution, its section or sub-section as the case may be. For this purpose, the articles and other features in the *Herald of library science* have been numbered in the alphabetical sequence A-Y and ZA-ZY making Z the octavising digit. The sections and sub-sections of contributions are in decimal fraction notation except the Notes and News which have been listed serially.

Example : Experience of BNB with regard to the expanded schedule of Indian painting according to Decimal Classification is ZB731 which means, it is the sub-section 1 of section 3 of division 7 of article ZB; where

ZB=Dewey Decimal Classification : Expansions of schedules of Indian Art and History
ZB7=Expanded Schedules of DC
ZB73=Expanded Schedule of Indian painting in DC
ZB731=Experience of BNB with regard to the expanded schedule of Indian painting in DC
